

NOTICE OF JOB OPENING

Position/Title:	Warehouseman	Department:	WAREHOUSE & LASER
Hours:	GRAVEYARD 1030p-6a	Location:	Azusa, CA.
Reports To:	Guy; Warehouse Manager		Non-Exempt

Job Description: Our warehousemen are required to stand or walk in the warehouse for 8 or more hours a day. They're required to operate and run a crane, saw and a forklift when needed. They are required to load and unload trucks daily. They bend over and stoop to lift and stack material pieces by hand or by crane to secure material. Some of the work is labor intensive and at times they are asked to lift between 1 to 50-pound pieces of steel.

Overhead Crane Operation: Overhead crane operators control the lifting, moving and positioning of steel on the crane. They observe their surroundings and make sure that the load is safely attached and within the lifting limits.

Band Saw Operation: Saw operator sets up and operates band saws to cut metal stock. Reads job orders for customer specifications on the type of product, size and dimensions. Sets saw blade angle to obtain correct angle of cuts. Measures work for conformance to order specifications, marks identifying data on workpieces such as piece marks or heat numbers. Replaces defective cutting blade or wheel using hand tools.

Forklift Operation: Operators must be forklift certified. The operator is responsible for operating a forklift to move, locate & pull orders from stock. He is accountable for the safe and efficient operation of the vehicle.

Laser Operation: Responsibilities include but are not limited to loading and unloading material onto our tube laser machines, work with our Laser Programmers on order processing, maintenance of the machine, quality control, and packaging orders to our laser departments standards of operation.

Skills Required:

- operate strapping/banding gear
- read a tape measure
- read a micrometer
- lift up to 50 lbs.
- valid State Driver's License
- Safe & efficient operation of Laser machines

PREFERRED EXPERIENCE

- 1-2 years warehouse experience
- Steel or metal job history
